
Graduation Requirements

1. An Associate in Arts or Associate in Science degree is awarded to those who complete a minimum of sixty (60) credits of graded courses with at least a 2.0 grade point average.
2. A minimum of twelve (12) credits must be earned in residence at this institution.
3. Porterville College graduation requirements are not to be confused with General Education Breadth Requirements and/or Intersegmental General Education Transfer Curriculum (IGETC), which students may meet and have certified before transferring to a member of the California State College and University of California System. See catalog section on General Education Breadth Requirements for further details.
4. Effective fall 2001, students may graduate under the major and general education requirements in effect:
 - At the time of first enrollment as long as continuous enrollment is maintained, or
 - The requirements in effect at the time of graduation.

Continuous enrollment is defined as enrollment in at least one semester during the academic year on a continuing basis including summer session. Any academic record symbol (A-F, CR, NC, I, IP, RD, W) shall constitute enrollment.

Requirements for the Associate in Arts (AA) Degree

Degree requirements include the following: courses in your **major**, one of the three **general education patterns**, and the **additional campus graduation requirements** as follows.

Combining these areas and, if necessary, elective courses must equal **60 total credits** with a minimum total grade point average of 2.0 in order to graduate. Credits earned in courses numbered P070-P089 do not count toward graduation.

- **Major Requirements**

The courses required for your major are listed in the college catalog. You are encouraged to purchase a catalog the first term you enroll and keep this throughout your education at Porterville College. The catalog can also be accessed via the college website.

- **General Education Patterns**

There are three general education patterns you may select from to complete your requirements. Your specific academic goal will determine which one of these checklists to follow. The table below will help you decide which checklist is more appropriate for you:

Goal:	Not planning to transfer after completing the degree.
Checklist:	Follow the PC General Education Checklist.
Goal:	Transfer to a California State University (CSU) after completing the degree.
Checklist:	Follow either the CSU General Education Breadth or the Intersegmental General Education Transfer Curriculum (IGETC) checklist.
Goal:	Transfer to a University of California (UC) California State College (CSU) or independent college after completing the degree.
Checklist:	Follow the IGETC checklist.

- **Additional Campus Graduation Requirements**

In addition to the major and general education requirements indicated above, you must also complete the following campus graduation requirements: **Education P101, 102, 107** or **INST 55A** or **100A Multicultural Studies** (see listing of Multicultural Studies courses on the PC general education checklist); and **two credits of physical education** (required for graduation for students under 21 years of age).

Requirements for the Associate In Science (AS) Degree

The **Associate in Science (AS)** degree may be awarded to students who satisfy the general education and additional campus graduation requirements listed above, and complete 18 credits in the biological and physical sciences. Students must select these 18 required credits from the following courses: **ASTR P101; BIOL P105, P106; CHEM P101A, P101B, P106, P108, P202A, P202B; MICR P106; PHYL P101, PHYS P102A, P102B, P104A, P104B, P204A.**

Dual Degrees/Majors: Credits used to satisfy the major requirements in one degree/major cannot be used to satisfy a major requirement in the other degree/major.

Select ONE COURSE from each of the following areas:

A. EDUCATION (1 credit)

- Education P101/1 (suggested to be taken during first year of enrollment)
- Education P102
- Education P107
- Interdisciplinary Studies P055A
- Interdisciplinary Studies P100A

All courses in areas B, C, D and E must be completed with a grade of "C" or higher.

B. WRITING (3 credits)

- Business Administration P132
- English P050
- English P101A
- Philosophy P111
- AP - English Composition
- AP - English Language & Composition

C. READING PROFICIENCY

- Reading proficiency is demonstrated by either completing English P101A/1A with a grade of "C" or higher; or English P050 or Business Administration P132 with a grade of "C" or higher and one of the following courses with a grade of "C" or higher: Anthropology P101/1; English P102/2A, P104/2B, P110/10, P114/14, P115/15, P052/52; History P117, P118; Philosophy P106/6A; Political Science P101/1; Psychology P101A/1A, Sociology P102, P120

2008-2009 INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM

Student's Name Last First Middle	Student I.D.#	Birth date
---	---------------	------------

The IGETC is a general education program which community college transfer students may use to fulfill lower-division general education requirements in either the UC or CSU system.

Students pursuing majors that require extensive lower-division preparation may not find completing the IGETC option advantageous. Biology, Engineering and Liberal Studies are examples of these majors. Please consult with an academic advisor.

All courses must be completed with a grade of "C" or higher. A course may meet only one area of IGETC.
